*If it's hard commit start with a simple, neutral color palette and add pops of color with accents. Select items that are both functional and go with your decor.

■ **Cozy accents:** Throws blankets and pillows, candles

■ **More accents:** Pretty books, baskets, fun wall hooks, bud vases with greens or flowers, plants, frames with fun and inexpensive prints that are easy to swap out

■ **Other items to consider:** Shelving, lighting (ceiling, floor, wall), storage that goes with your decor

■ **Make it you-nique:** Keepsakes, items from travel, family photos, children's art. You can also use accessories as decor: scarves, hats, pretty purses/bags.
